Department of Education and Training Question No. SQ17-000494

Senator Collins, Jacinta provided in writing

ACARA - List of schools with 70 per cent students meet the national minimum standard for their year levels.

Question

Provide a list of schools in which 70% of students are meeting the national minimum standard for their year levels.

Answer

The Australian Curriculum Assessment & Reporting Authority (ACARA) has provided the following response:

ACARA has been directed by Education Council to minimise the risk of publication of simplistic league tables. These are taken to be, broadly, ranking of schools by performance information or school level performance reporting in the absence of contextual information.

Providing the information requested is not consistent with this direction from Education Council.
