***ACARA - Proportion of students meeting the NAPLAN minimum standard for each SEA quartile and for each SEA quartile by year level***

**Question**

Provide the proportion of students meeting the NAPLAN minimum standard for each SEA quartile and for each SEA quartile by year level.

**Answer**

*The Australian Curriculum Assessment & Reporting Authority (ACARA) has provided the following response:*

In order to provide the requested information, a new set of estimates would need to be generated and all the national and subgroup statistics re-calculated. This represents an unreasonable diversion of resources from ACARA's core work.
