Senator Carr asked on 5 June 2014 , Hansard page 106

Question

Education Investment Fund

Senator KIM CARR: You say that this fund in that particular year only funded 12 per cent. Was that the same in every year of the last five? Mr Griew: I would have to take that on notice. Senator KIM CARR: Was it about the same percentage each year? Mr Griew: I would have to take that on notice; I do not have those figures.

Answer

	2009	2010	2011
Income from EIF grants for higher education as a percentage of capital income from all sources	19%	16%	12%

Data for years later than 2011 is not available as the Capital Asset Management Survey (CAMS) has been discontinued as part of the reduction of reporting burden on higher education institutions.
