Senator Carr, Kim asked on 03 June 2015, Proof Hansard page 10

ARC: Antarctic Gateway Partnership

Question

Senator KIM CARR: What role has the Antarctic Climate and Ecosystem CRC had within the Antarctic Gateway Partnership?

Prof. Byrne: I have to take on notice the strict partners of that initiative. I cannot remember off the top of my head whether they are a named partner on it. But certainly we are working closely through the University of Tasmania with the CRC and with the CSIRO to make sure that there is an efficient use of the money to support research in Antarctica.

Answer

The Australian Research Council has provided the following response.

Eligible Partner Organisations as listed in the Funding Rules for Antarctic Gateway Partnership are CSIRO and Australian Antarctic Division.
