Department of Education and Training Question No. SQ15-000293

Senator Carr, Kim asked on 03 June 2015, Proof Hansard page 44

ASQA: Aspin offering Cert. III in health programs

Question

Senator KIM CARR: Is it the case that Aspin was also undertaking certificate III in health programs?

Mr Robinson: I do not have the details with me of what programs they had under scope at the time, but we can take that on notice.

Answer

The Australian Skills Quality Authority (ASQA) has provided the following response.

- Aspin was registered with ASQA from 1 July 2011 until 31 January 2015 when the registered training organisation closed voluntarily, following regulatory work from ASQA, which uncovered significant non-compliance with the required national training standards. Aspin did not hold registration for any qualifications in the health sector or from the Health Training Package during this time.
