FOI request (Member for Perth)

Question

Senator KIM CARR: What is the date of the first document in your file? You said there were 2½ thousand.

Mr Griew: We would have to take that on notice.

Senator KIM CARR: As I understood you before, you were saying that the matter was initiated in another department through, I presume you were saying, PM&C. Was that the first file item you had?

Mr Griew: That is how I believe we heard about it. We would have to take on notice what the first item of the file would be.

27 June 2014. Email documenting a telephone call received from the Department of Prime Minister and Cabinet.
