Department of Education and Training Question No. SQ15-000387

Senator O'Neill, Deborah asked on 04 June 2015, Proof Hansard page 109

Intergenerational report - difference in funding

Question

Senator O'NEILL: In light of that capacity, which I think is evident because of the Intergenerational report and the way the current government has put on the record currently legislated previous policy and some future policy, can the education department provide, in consultation with other agencies, if required—to use their software, knowledge and capacity—the difference in school funding between the previous policy and the proposed policy scenarios used in the Intergenerational report expressed in a range of ways—

Mr Cook: I am happy to take that on notice.

Senator O'NEILL: I am happy to put on notice more detail.

Mr Cook: I might need it in writing. I am not sure which policies—

CHAIR: Maybe take it on notice. Have a look at the Hansard and take that question on notice.

Mr Cook: I am very happy to do so.

Answer

Any questions regarding the Intergenerational Report should be referred to the Treasury. The department has referred the same written question on notice to the Treasury.
