Department of Education and Training Question No. SQ15-000561

Senator O'Neill, Deborah provided in writing.

Students with Disability data

Question

In relation to students with disability, can you please provide a breakdown of the data on students with disability:

- a. The number of children with disability in each state and territory, broken down by electorate and sector as well as whether the student attends a special school or a mainstream school;
- b. who are enrolled full-time and part-time;
- c. the proportion that have been denied enrolment at a school.

Answer

Data on students with disability becomes available after processing is completed for the Productivity Commission's Report on Government Services. The next Report on Government Services containing 2014 information is expected to be released in January 2016.

The data requested in this question at b. and c. is not available as the department does not collect this information.
