Senator Cameron asked on 01 June 2015 on proof Hansard page 35

Question

SSC - Customers

Ms Leon: There are the two partner departments—Education and Employment.

Senator CAMERON: That would have just flowed—

Ms Leon: And there are 13 other customer departments plus the ones that I indicated—the Australian Electoral Commission and the Taxation Office. So that is 15. I am just checking that figure now. We will just clarify that number and get it for you in the course of hearings. It is either 13 or 14 customers at the moment.
