

## **Senate Standing Committee on Education and Employment**

### **QUESTIONS ON NOTICE Budget Estimates 2015 - 2016**

#### **Outcome 1 - Employment**

**Department of Employment Question No. EMSQ15-000129**

**Senator Siewert asked on 01 June 2015 on proof Hansard page 50**

#### **Question**

##### **Referrals effect**

Senator SIEWERT: ..... Are you able to give me some data now on the referral effect out of the trials, if that makes any sense?

Mr Hehir: Not out of the trials. I think Ms Mitchell might have some data around some analysis we undertook in 2010.

Ms Mitchell: We have done some early survey work on the pilot program in the 18 areas.

Mr Hehir: It is early survey work, but I was going to talk about 2010.

Senator SIEWERT: I would like to know the early survey work as well.

Mr Hehir: I just said early survey work. It is not finalised yet, so I do not really want to put things on the record that are not finalised.

Senator SIEWERT: Well, perhaps you can take that on notice so that I do not have to wait until October to get it, please.

#### **Answer**

The department is awaiting finalisation of survey data by the consultant. Analysis of referral effects has not been undertaken because the programme has not yet completed.
