### QUESTIONS ON NOTICE Budget Estimates 2015 - 2016

### **Agency - Fair Work Ombudsman**

**Department of Employment Question No. EMSQ15-000171** 

Senator Cameron asked on 02 June 2015 on proof Hansard page 29

### Question

### **FWO - Public notice**

Ms James: .....I should also mention to the sake of completion, because I did not get all the way down the list before, that they also placed a public notice in The Daily Telegraph and the South Coast Register, placed notices at sites and set up a hotline for a point of contact in Australia for any employees with concerns.

Senator CAMERON: What page and how big was the advert in The Daily Telegraph? Ms James: I am absolutely certain that we can provide you with a copy of the advert on notice.

Senator CAMERON: But I am asking—

Ms James: Usually with the enforceable undertaking we do set out some parameters around size to make sure that it is not a three-inch column buried towards the back. We do provide that it needs to be appropriate in terms of size and placed in an area where it will be noticed. Senator CAMERON: I would like details of the hotline. All details of this egregious—CHAIR: Can we have a whole package for Senator Cameron on that issue.

### **Answer**

Please see Appendix A for copies of public notices placed in the South Coast Register and The Daily Telegraph by Chia Tung. Both notices were published in black and white but have been highlighted in Appendix A.
