QUESTIONS ON NOTICE Budget Estimates 2015 - 2016

Agency - Fair Work Ombudsman

Department of Employment Question No. EMSQ15-000173

Senator Sterle asked on 02 June 2015 on proof Hansard page 34

Question

FWO - Road Safety Remuneration Tribunal site visits

Senator STERLE:Can you tell me how many site visits, inspections or investigations that the Fair Work Ombudsman has conducted in terms of matters relating to the RSRT? You can take it on notice if it is easier for you.

Ms James: That might be better.

Senator STERLE: It is really no drama. I would rather have the full gambit of information available rather than rushing it and missing out on some.

Ms James: We will take that on notice.
