Question

FWBC - Distribution of phone number

CHAIR: As a result of this flyer being distributed, the phone number actually being on this flyer resulted in her getting a lot more attention from the CFMEU?

Mr Hadgkiss: I only have her phone calls from Mr Reardon in front of me. I am not sure about what else, but I can take that on notice, if you wish.

CHAIR: On notice. That would be great

Answer

On 25 September 2009 the ABCC was faxed a copy of the flyer providing personal details of (name of investigator). On the same day, the investigator received three calls (unknown callers) on her home phone with one male caller stating, "You're a f***ing rat".

The next month, on 10 October 2009 the ABCC investigator received one call from an unknown male stating, "(name of investigator) isn't it? (name of investigator), me and my seven mates are going to come and f*** you".
