

GROCON'S SCABS NAMED AND SHAMED

Grocon flew these grubs to Queensland to cross a picket line and is paying them to do its dirty work in Victoria:

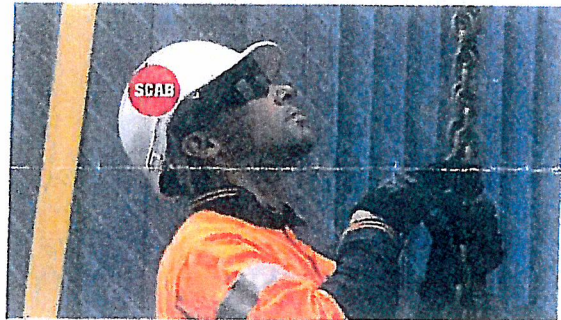

Andrew Brinzi - Scab Brothers

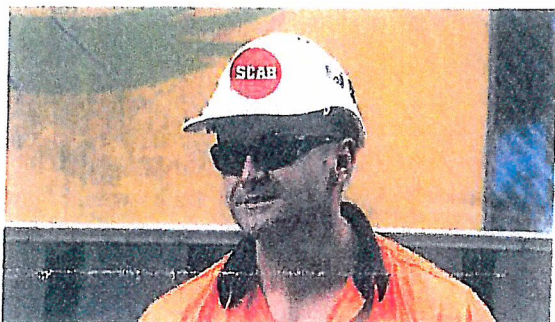

Joe Brinzi - Scab Brothers

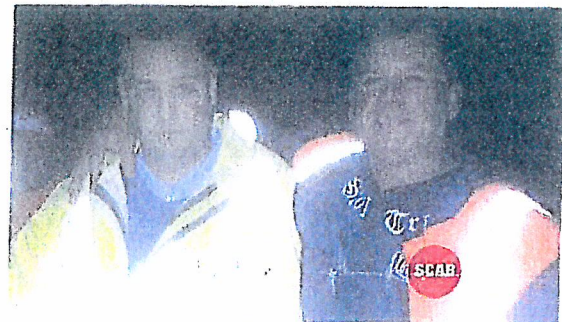

Peter Hewett nightclub bouncer turned Grocon scab herder

Anthony Cuzzilla scabbed for Grocon in QLD and Footscray

Daniel Van Camp Daddy's boy making his old man, John (another scab) proud

Peter Hewett cosying up to a policeman while scabbing at Grocon's Footscray site

Get rid of these scabs
out of our industry.
They will never be forgotten.
