Department of Education and Training Question No. SQ17-000598

Senator Cameron, Doug and Senator Marshall, Gavin asked on 31 May 2017, Proof Hansard page 68

Student builders (insurance)

Question

Senator CAMERON: What has the department done to ensure that that has been done?

Ms Hewlett: We put that into the contract with NEVC.

Senator CAMERON: Will the contract be available as well as the work plan? Are these different documents?

Dr Banerjee: We will take that on notice. In terms of providing the documents that you requested previously—the work plan and the contract—we will take that in the same—

Senator MARSHALL: I want to see the details of the insurance cover that these people have, and I want an assurance from you that it is the equivalent of workers compensation cover that would apply to a real apprentice.

Dr Banerjee: Yes, we will take that on notice.

Answer

The contract and the work plan are separate documents and fall into the scope of documentation requested at SQ17-000583.

Refer to SQ17-000593 for insurance.
