

Department of Education and Training Data for SQ17-000635

Data as at the 2017–18 Budget as per the Australian Education Amendment Bill 2017 (passed on 23 June 2017).

Note: Growth rates are based on recurrent funding only and do not include additional measures to extend the current funding levels for non-government schools using system weighted average socioeconomic status scores for 2018, to provide additional support for non-government schools in the ACT and government schools in the NT, or transition assistance for non-government schools.

An approved authority may have schools in more than one state
