

## Senate Committee: Education and Employment

### QUESTION ON NOTICE Budget Estimates 2017 - 2018

#### Outcome: Schools and Youth

#### Department of Education and Training Question No. SQ17-000687

Senator Collins, Jacinta asked on 01 June 2017, Proof Hansard page 118

#### *List of schools on the agreements currently*

##### Question

Senator JACINTA COLLINS: Would I be able to find anywhere the list of schools that are on the agreements currently?

Mr Cook: I do not think they are public. They were agreements between the then minister for education and each of the heads of the Catholic or—they will be in the department; I just do not think they are public, that is all.

Senator JACINTA COLLINS: Is there a problem with making those lists available?

Mr Cook: I cannot imagine. Maybe I could take it on notice and see whether there is.

Senator JACINTA COLLINS: I am just trying to ascertain whether they might be available before I talk to Christian Schools Australia over the next couple of days, but it sounds like that might not be the case.

Mr Cook: They are probably archived, because they are 2013 documents, so we would have to actually go off site to get them, I imagine.

Senator JACINTA COLLINS: If you could attempt to do that before you appear on the next occasion that would be useful.

Mr Cook: Happy to take that on notice

##### Answer

From 2014 to 2017 the Students First Support Fund provides non-government representative bodies with funding to undertake projects and provide targeted support services to non-government schools in relation to the Australian Government's education priorities.

Operation of the fund is governed by a memorandum of understanding (MoU) between the Commonwealth and each non-government representative body. The Associations of Independent Schools and Catholic Education Commissions in each state and territory have been approved under the *Australian Education Act 2013* as non-government representative bodies.

A list of member schools from the time of signing of the MoUs in 2014 is provided in **Attachment A** for Catholic Education Commissions and **Attachment B** for Associations of Independent Schools. More current lists of member schools are available on the websites of each Catholic Education Commission and Association of Independent Schools.
