Electorate data

Question

Mr Cook: Part of your first question was the information we provided to the minister's office at electorate level—and none of this sounds familiar to me—

Senator JACINTA COLLINS: No, the first question was: had you provided information to the minister's office at electoral level? The answer to that was yes.

Mr Cook: This does not sound familiar to me at all, I am sorry.

Senator JACINTA COLLINS: And had you provided it sector specific, which you have taken on notice.

Answer

The department has provided the estimated total and per student funding under the new arrangements for all schools by electorate to the Minister's office.
