**Department of Education and Training Question No. SQ17-000710**

Senator Carr, Kim provided in writing

***United States Studies Centre - Commonwealth funding***

**Question**

Has the United States Studies Centre at the University of Sydney sought funding from the Commonwealth Government?

If so, please provide any letters to and from the US Studies Centre.

**Answer**

The Department of Education and Training has not received any direct requests for funding from the United States Studies Centre at the University of Sydney, beyond the initial 2007 and the following 2012 grants, but understands future funding may have been raised informally in discussions with government.
