AITSL: TEMAG review - teacher training

Question

How is AITSL monitoring and evaluating the outcome from changes to teacher training and other reforms coming out of the TEMAG review?

Answer

The Australian Institute of Teaching and School Leadership (AITSL) has provided the following response.

Implementation of the revised *Accreditation of initial teacher education: Standards and Procedures* in each teacher education program will be monitored through annual reporting by providers to the teacher regulatory authorities in each State and Territory.

In addition, AITSL is scoping an evaluation framework designed to measure the implementation and outcomes of the TEMAG reform agenda.
