Dear Secretary

Amendments to the department's responses to questions on notice

It has been brought to our attention that there was an error in the response the department provided to SQ17-000909. I apologise for this error, and an amended response including the correct attachments is provided at Attachment A.

In addition, further detail was sought in relation to the responses the department provided to SQ17-000911 and SQ17-000916. To assist the Committee, we have also revised our responses to these questions to incorporate this additional information (at Attachments B and C). Please note that the detailed data for any electorate with fewer than ten apprentices will remain hidden to maintain the privacy of individual apprentices or trainees. An additional table compiling the total data for each electorate has also been attached to each of these responses.

Yours sincerely

Subho Banerjee
