This objective is consistent with and promotes the Australian Government's policy objectives as detailed in the Fair Work Act 2009. The Grant builds on the programs initiative under the National Workplace Education Program that facilitated the initial period of operation of the Fair Work Act 2009.

- the role that productivity issues play in enterprise bargaining;
- the importance of leadership in building safe, fair and productive workplaces, how employee representatives can contribute to good leadership in workplaces, and training leaders;
- the continuing successful operation of the workplace relations system.

C. As a result of this commitment, We agree to support the Project by providing Funding to You, subject to the terms and conditions of this agreement.

D. We are required by law to ensure accountability for public money, and You are required to be accountable for all Funds provided by Us.

E. You agree to accept the Funding on the terms and conditions set out in this agreement.
