

Senate Standing Committee on Education and Employment

QUESTIONS ON NOTICE Budget Estimates 2017 - 2018

Agency - Fair Work Ombudsman

Department of Employment Question No. EMSQ17-004151

Senator Rice asked on 30 May 2017 on proof Hansard page 49

Question

FWO - Domino's number of employees spoken to

Senator RICE: How many employees have you spoken to or are you intending to speak to?
Ms James: I will take on notice how many we have spoken to. I am conscious of what Mr Campbell said earlier about not wanting to prejudice the investigation or indeed invite any possible speculation by employers about what their employees may or may not be talking to us about. As for how many we might talk to, well, we will talk to as many as want to talk to us and have something material to tell us.

Answer

The Fair Work Ombudsman has interviewed 67 current and former employees in relation to allegations involving Domino's franchises.
