#### **Outcome 1 - Employment**

**Department of Employment Question No. EMSQ17-004275**

**Senator Marshall provided in writing.**

Relates to previous Employment Question No EMSQ17-003977

#### **Question**

##### **Indigenous Outcomes Targets**

The response to Question on Notice EMSQ17-003977 (copy on page 98) says: There is no review being conducted into Indigenous Outcomes Targets under jobactive. Isn't that incorrect?

Wasn't there an Industry Information Paper that was sent out by the Department of Employment that outlines the "evaluation of Indigenous Outcomes Targets Performance Framework"? Isn't this an indication a review is being conducted

#### **Answer**

The response to Question on Notice EMSQ17-003977 was correct. The Indigenous Outcomes Targets Performance Framework Industry Information Paper does not outline an "evaluation of Indigenous Outcomes Targets Performance Framework".

The only reference to any type of review noted that "provider performance against IOT will be reviewed on an ongoing basis and at the end of each Performance Period as part of formal performance discussions."
