**Request to correct responses to questions on notice EMSQ17-004129, EMSQ17-004138,
EMSQ17-004154**

Dear Mr Palethorpe

The Fair Work Ombudsman (FWO) is seeking to correct its responses to the following questions on notice arising from its appearance on 30 May 2017 before the Education and Employment Legislation Senate Estimates Hearing:

- EMSQ17-004129;
- EMSQ17-004138; and
- EMSQ17-004154.

Unfortunately the responses uploaded in the Parliamentary Document Management System were not the final versions cleared by the FWO. While the initial responses provided are not inaccurate, the attached amended responses more adequately address the questions asked of the FWO.

Yours sincerely,

Anthony Fogarty
Executive Director
Policy, Analysis and Reporting Branch
