Outcome 3 - Higher Education, Reform & Support

Department of Education Question No. ED0396_15

Senator Carr provided in writing.

Question

Students studying engineering

Is the Department able to provide data on: (a) the number of students studying engineering per institution? (b) the number of low SES students studying engineering per institution (by all measures)? (c) the number of regional and remote students studying engineering per institution (by all measures)? (d) the number of students from a non english speaking background studying engineering per institution? (e) the number of students with a disability studying engineering per institution? (f) the number of indigenous students studying engineering per institution? If so, please provide the figures, and divide by degree level (sub bachelor, bachelor, postgraduate by coursework, postgraduate by research). Provide both place and raw numbers
