

Senate Standing Committee on Education and Employment - Education

QUESTIONS ON NOTICE

Supplementary Budget Estimates 2014-2015

Outcome 3 - Higher Education, Reform & Support

Department of Education Question No. ED0672_15

Senator Carr asked on 22 October 2014, Hansard page 138

Question

VET FEE-HELP scheme

- (A) Mr Johnson: The projection for the financial year 2013-14 is around \$135 million. Senator KIM CARR: So it has gone down? Mr Johnson: That is a financial year effect. I do not actually have with me the full calendar year for 2014 to October. Senator KIM CARR: Would you take that on notice, please.
- (B) Senator KIM CARR: You indicated there were a number of providers that were eligible for the VET FEE-HELP scheme. Ms Borthwick: Yes. Senator KIM CARR: How many? Ms Borthwick: I said around 200. Senator KIM CARR: Where do I find a list? Do you have a list, please? Ms Borthwick: We do, but I will have to take that on notice.
- (C) Senator KIM CARR: Thank you. Is it possible for centres?
- (D) Ms Borthwick: Sorry, can I just add that there is also an additional number which are both RTOs and higher education providers, so we will get that full list to you.

Answer

- (A) For the 2013-14 financial year, the department made VET FEE-HELP payments totalling \$1.044 billion. For the 2014 calendar year to 31 October 2014, VET FEE-HELP payments total \$1,332 billion.
- (B) As at 5 November 2014, there were 198 registered training organisations approved to offer VET FEE-HELP.
- (C) The department does not record the number or location of the different centres from which VET providers offer courses for which VET FEE-HELP is available.
- (D) There are also 49 providers, including Universities, offering FEE-HELP which are approved to offer VET FEE-HELP as well, for a total of 247 VET providers.

A table including a full list of the 247 VET providers is attached.
