Question

ASEA - Staffing - recruitment

Since Budget Estimates in June, 2014: 1. How many ongoing staff have been recruited? What classification are these staff? 2. How many non-ongoing positions exist or have been created? What classification are these staff? 3. How many staff have been employed on contract and what is the average length of their employment period?

Answer

1. Nil
2. No staff had been engaged directly by the agency as the provisions for the Agency to engage staff were not yet in place. Staff are provided to the Agency by the Department of Employment on secondment until the Agency establishes employment conditions. Under this arrangement the Agency created one non-ongoing position.
3. The contract is for 12 months.
