Question

Shared Service Centre

Ms Leon: We have had some preliminary discussions with other departments who are just assessing what they might be interested in purchasing from us. Senator CAMERON: Given that this may or may not happen, there may not be a problem. What is the issue of advising— Ms Leon: I just would like the opportunity to consult with the other departments first. But I am happy to take that on notice. Senator CAMERON: If you could take that on notice, it would be helpful. Thank you.
