Question

FWC - Registered Organisations compliance

Can we please have all the most up to date data about registered organisation compliance?

Answer

For the financial year 2014–15, 111 out of 111 registered organisations lodged their Annual Returns within the statutory lodgment period. This represents a voluntary compliance rate of 100 per cent.

In the period 1 July 2014 to 30 June 2015, 380 of the 400 reporting units that were required to lodge a financial report lodged within the statutory lodgment period. A further 15 reporting units lodged their financial report after intervention by the Regulatory Compliance Branch. This represents a voluntary compliance rate of 95 per cent elevating to 98.75 per cent following intervention by the Regulatory Compliance Branch.
