Ms Julia Agostino
Committee Secretary
Senate Standing Committee on Education and Employment
PO Box 6100
Parliament House
CANBERRA ACT 6100

Dear Ms Agostino,

On 22 October 2015, Fair Work Building and Construction appeared before the Senate Standing Committee on Education and Employment for the 2015 Supplementary Budget Estimates Hearing. Further to this appearance, on 25 November 2015, Fair Work Building and Construction provided the Committee with a written response to question taken on notice at that hearing, EMSQ15-000269 refers.

On behalf of the Agency, I wish to provide a corrected version of the response to the question on notice that was provided by FWBC pursuant to the aforementioned hearing.

It has been brought to my attention that EMSQ15-000269 contained an inadvertent error and this has been amended in the document attached which reflect the number of occasions that the Tasmania office team leader travelled to the mainland during 2014-15. The cost for this period of travel that was provided in EMSQ15-000269 is correct and unchanged.

This correction will also be reflected in the written response to a question on notice taken at the Additional Estimates Hearing on 12 February 2016 about Hobart office travel, EMSQ16-000149 refers.

I apologise to the Committee for any inconvenience caused.

Yours sincerely,

Brian Corney PSM
Acting Director
