Supplementary Budget Estimates 2016 - 2017

Outcome: Skills and Training

Department of Education and Training Question No. SQ16-001078

Senator Cameron, Doug provided in writing

Retrained or reskilled automotive manufacturing workers

Question

How many displaced automotive manufacturing workers and workers in the associated supply chain have the commonwealth under this government retrained or reskilled?

Answer

Support for displaced Holden and Toyota workers is being provided under the five year Growth Fund Skills and Training Initiative. As at August 2016, 1420 workers had commenced training activities.

Some reskilling may also be available to retrenched automotive manufacturing industry workers through the *Automotive Industry Structural Adjustment Program (AISAP)* managed by the Department of Employment. The Department of Education and Training does not have the data on AISAP.
