Department of Employment Question No. EMSQ16-000921

Senator Cameron asked on 19 October 2016 on proof Hansard page 30

Question

Providers engaged in outdoor Work for the Dole activities

Senator CAMERON: How many other providers around the country were engaged in outdoor activities?

Ms Leon: We would have to take that on notice. We do not have that detail with us.

Answer

The requested information is not readily available and it would involve an unreasonable diversion of the Department's resources to ascertain such information. However, given the nature of Work for the Dole, it is likely that all jobactive providers have had job seekers participating in outdoor Work for the dole activities.
