##### **Work for the Dole - Average of insurance claims**

Senator MARSHALL: So that has been paid out?

Ms Leon: I do not want to go to the individual claim of how much was paid and so on, but we have assisted the family—

Senator MARSHALL: I would be interested in knowing. You might let me know later.

Ms Leon: We have assisted the family with their insurance claim.

Senator Cash: That is what it will say on the public record.

Senator MARSHALL: Let me know later how much. I would be interested in knowing. Taking that one out, what is the extent of the claims?

Ms Leon: We might have to take that on notice about the average, to do some calculations for you. There have been 10 claims, and only one was as severe as the one we have been discussing.

#### **Answer**

For the period 1 July 2015 to 30 August 2016, for the nine other claims, the average payment amount under the Group Personal Accident Insurance Policy was \$270.66 per claim.
