Senator Marshall provided in writing.

Question

Evaluation Reports or Program Analysis

Please provide the following information:

- For every program administered by the department and all portfolio agencies within it:
 - o Copies of any evaluation reports or program analysis prepared by external advisers in the last five years;
 - o Copies of any evaluation reports or program analysis prepared within the department in the last five years.

Answer

The Department of Employment does not have a central repository of program analyses; therefore, we are unable to respond in full without an unreasonable diversion of resources.

Since the Department of Employment was established in 2013 a number of evaluations have been completed. Evaluations published on the department's website are below.
