Q No.	Department/ Agency	Senator	Title	Questions	Proof Hansard, page & hearing date <i>or</i> Written Q	Date rec'd	Date tabled
1.	DHA	Conroy	Seaward Village survey	<p>Senator CONROY: So if we draw an average of seven in your five focus groups that comes to 35 people who attended as part of the families out of 153 family homes.</p> <p>Ms Dermatossian: I do not have the exact details of the final numbers, but I can take that on notice.</p>	102, 1 June	31/07/15	13/08/15
2.				<p>Senator CONROY: No, I am just using an average of between six and 10. If there were nine at each of them, then that would be 45. Did you write to them all, or did you write to groups of them? So they all got an invitation to five or some got an invitation to each one?</p> <p>Ms Dermatossian: Horizon, the group that we engaged, organised all of the focus groups. I can take that question on notice.</p>	103, 1 June		
3.				<p>Senator CONROY: I look forward to hearing back about that. In addition, I have heard that at some focus groups that were held people were paid a small fee of \$80 to participate—is that true?</p> <p>Ms Dermatossian: Again, I will have to take that question on notice.</p>	103, 1 June

4.				<p>Senator CONROY: That is normally how a focus groups works. In a political sense, when we talk about a focus group, people are paid to come in for the evening to talk. Was \$80 offered to the military families or only to the civilian families?</p> <p>Ms Dermatossian: I am not aware if anything was offered to any attendee at the focus groups. I will have to take that question on notice.</p>	103, 1 June		
5.				<p>Senator CONROY: Outside of Seaward Village? You paid people to come to a focus group about a redevelopment on the base site, and they were not residents of the base? Why would you pay money for people who were not living there to come and tell you their views? That just seems preposterous. You have to pay people to turn up to a focus group about a redevelopment in a specific area, and they do not live in the area?</p> <p>Ms Dermatossian: I will have to take that question on notice.</p>	103, 1 June		
6.				<p>Mr Howman: DHA is not in charge of the surveys with the members on the married patch; that is being undertaken by Defence.</p> <p>Senator CONROY: Chief, are you able to take that on notice and find out what is going on there?</p> <p>Lt Gen. Campbell: Yes.</p>	104, 1 June

8.				Senator CONROY: Do you know what the scope of the assessment is? Lt Gen. Campbell: I will have to take that on notice.	107, 1 June		
9.				Mr Howman: The CFO has looked at that. Mr Brocklehurst: I will need to take the specifics of that on notice, I am sorry.	112, 1 June		
10.				Ms Dermatossian: One of the outcomes of the focus groups of the Seaward Village residents is that they are happy to relocate on the village as long as they remain on the village. Senator LINES: What percentage of families have said that? Ms Dermatossian: I would have to take that on notice.	112, 1 June		
11.	DHA	Lambie	Raiders Marketing agreement	Senator LAMBIE: What do you and the Defence Force personnel receive back for the sponsorship of that logo? What do you actually get out of it? Mr Howman: DHA does not take that as a sponsorship. As I say, we take that as a marketing agreement, so we do not take the sponsorship arrangements that comes with a general sponsor.	113, 1 June	31/07/15	13/08/15
