Question:

Have any jurisdictions not met their agreed targets? If so, what percentage of that jurisdiction's capital works funding was reallocated?

Answer:

In the 2013-14 financial year all jurisdictions met or exceeded their new housing and refurbishment targets with the exception of Tasmania.

Tasmania had a target of two new houses to be delivered on Cape Barren Island. These houses were completed in early November 2014.

No capital works funding was reallocated in the 2013-14 financial year.
