

Senate Finance and Public Administration Legislation Committee
ANSWERS TO QUESTIONS ON NOTICE
Additional Estimates 23-27 February 2015

Prime Minister and Cabinet Portfolio

Department/Agency: Department of the Prime Minister and Cabinet
Outcome/Program: Outcome 2: Indigenous
Topic: Corporate and Community Partnerships Programme

Senator: Senator the Hon Jan McLucas

Question reference number: 76

Type of question: FPA Friday 27 February 2015, page 51

Date set by the committee for the return of answer: 10 April 2015

Number of pages: 2

Question:

Senator McLUCAS: Can I get a list on notice of all of the organisations that were previously funded under the Corporate and Community Partnerships Program?

Ms Carroll: We will ask AHL for that.

Senator Scullion: We will make sure they know, but it would be useful if the committee could direct that question to AHL, because we may not have the same processes of compulsion for the answer that you may have.

Senator McLUCAS: Do they not do what you ask them, Minister?

Senator Scullion: They are an independent body.

Senator McLUCAS: I realise that. We will get a list of all of those organisations that are in the same boat as Bloodwood Tree, then we will go from there.

Ms Edwards: We will give you a list of the organisations who have approached us for interim funding, and who have been provided it. Not all of them may be in the same boat because we may not be aware of them, as the Minister says, or they may not have sought funding, but we will certainly provide you with the decisions that have been made, as soon as we have ascertained they have all been informed.

Senator McLUCAS: Are we talking about two separate lists, Ms Edwards?

Ms Edwards: There will be two lists.

Ms Carroll: There will be one from AHL, and one from the ones we have had contact with.

Answer:

Aboriginal Hostels Limited (AHL) advise that there were 29 hostels funded under the former Corporate and Community Partnerships Program (CCPP) in 2013-14.

Twenty six approached the Department for interim funding. Of the 26:

- 23 have had their applications approved for 2014-15; and
- four are in the process of being considered for funding for 2014-15.
