**CORRECTIONS TO SENATE ESTIMATES QUESTION ON NOTICE  
Additional Budget Estimates February 2015**

I wish to make the following correction to a tabled response of a Senate Estimates Question on Notice following the Additional Budget Estimates hearing on 23-27 February 2015, concerning the Department of the Prime Minister and Cabinet.

Question reference number 197 contains a typographical error. The question references AusTender contract number CN2753951. The contract number should read as CN2743951.

Attached is the amended question which now references the contract number correctly.
