Additional Estimates 23-27 February 2015

Prime Minister and Cabinet Portfolio

Department/Agency: Department of the Prime Minister and Cabinet
Outcome/Program: Outcome 1: Prime Minister and Cabinet
Topic: Future submarine programme – delegation

Senator: Senator the Hon Penny Wong

Question reference number: 43

Type of question: FPA Monday 23 February 2015, page 108

Date set by the committee for the return of answer: 10 April 2015

Number of pages: 3

Question:

Senator WONG: Mr Sadleir, have you personally been involved in discussions with Japanese officials about these matters?

Mr Sadleir: I have not.

Senator WONG: Has anyone from Prime Minister and Cabinet? Have you, Dr McCarthy?

Dr McCarthy: An officer from Mr Sadleir's division has accompanied Defence delegations to Japan, France, Germany, Denmark and Sweden and has been an observer in the discussions held with those countries. In the case of Japan, those discussions went to not only possible cooperation on the future submarine program but also broader defence, science and technology cooperation. In the case of the visits to Europe, I think they were focused primarily on the matter of possible cooperation in the future submarine program.

Senator WONG: Perhaps on notice because we are running out of time, can you give me more details about the France, Germany, Denmark and Sweden components? When were those delegations and who was on them? I want to turn to the visit to Japan. The PM&C official was an observer. Is that right? I think that was the phrase you used.

Dr McCarthy: Yes.
