ANSWERS TO QUESTIONS ON NOTICE
ADDITIONAL ESTIMATES 2015-16

Finance Portfolio
9 February 2016

Department/Agency: Department of Finance

Outcome/Program: 3/3.1

Topic: Government staffing profile

Senator: McAllister

Question reference number: F44

Type of question: Hansard Proof, F&PA Committee, Page 115, 9 February 2016

Date set by the committee for the return of answer: Friday, 1 April 2016

Number of pages: 9

Question:

Senator McALLISTER: You may wish to take some of these questions on notice. I do not expect you to have this information with you this evening. I am hoping that you will be able to table an updated government staffing profile.

Senator Cormann: We will take that on notice.

Senator McALLISTER: In particular, I am looking for the total number, how many are assigned to each office, the classifications for personnel and any non-standard home or work cases. Minister Cormann, in general are you able to provide any advice about what changes to the government staffing profile have occurred since the change—

Senator Cormann: In general, no.

Senator McALLISTER: I have asked Ms Halton to provide a detailed list. I am interested to know whether the number of staff provided to the government has increased significantly or decreased since the change of prime ministership.

Senator Cormann: In general, I do not believe so, but let me make sure that the answer is right on the specifics. Given that Ms Halton has already taken the question on notice, I think that is probably the best way to deal with that.

Senator LUDWIG: And in that, how many there are in the PMO's office and whether that has changed.

Senator Cormann: If we provide you with the government staffing profile I think that that will cover the PMO.

Ms Halton: We have done that before. That is fine.

Answer:

A detailed breakdown of Personal Positions as at 1 February 2016 is at Attachment A.

As at 1 February 2016 there were 26 approved non-standard work bases across Government, Opposition and Non-Government offices. Due to the very small numbers in each office and the possibility of individuals being identified, it would not be appropriate to provide further information.
