Dear Ms Beverley

Additional Estimates 2016 – correction to evidence

I am writing in relation to evidence given at the Additional Estimates hearing on 8 February 2016.

At page 70 of the proof Hansard transcript, Senator the Hon Penny Wong asked a question in relation to the report delivered by HBA Consulting in May 2015.

I said that a redacted version of the report was made available to specific members of the press gallery.

I would like to correct that evidence. Relevant extracts of the report, rather than a redacted copy of the report, were made available to specific members of the press gallery.

I would be grateful if you could draw this to the attention of the committee.

Yours sincerely

Rob Barnes
First Assistant Secretary
