**Question:**

Senator MOORE: That has happened in previous areas, but the expectation of the report date is by the end of their contract. There can be times when it comes in later, but if you are due to finish on 30 June you would be working towards having your project completed by 30 June.

Ms Cross: The project would be completed, but it could be that the report is for a later date, so we would have to look at each contract to confirm that for you.

Senator MOORE: When will you know that?

Ms Cross: We can go back and check the contracts.

Senator MOORE: Good, put that on notice.

**Answer:**

The National Women's Alliance end of year progress report is due on 22 July 2016.
