**Parliamentary departments, Department of Parliamentary Services**

Topic: **Indigenous procurement policy**

Question: **16**

Hansard Reference **p 21; 27 February 2017**

**Date set by the committee for the return of answer: 13 April 2017**

**Senator McKENZIE:** Do you want to talk us through how DPS performed under the Indigenous procurement policy?

...

**Mr Creagh:** We have exceeded the number of contracts that DPS had. As to the target, we entered into 15 contracts with 13 Aboriginal and Torres Strait Islander businesses for a total value of \$1,410,395, GST inclusive. That was for the 2015-16 financial year. I do not have the figures for this financial year with me at the moment, but I am sure my procurement guys will be able to get it to me very shortly.

...

**Senator McKENZIE:** In breaking down those 15 contracts, do you want to quickly run through which sections of DPS?

**Mr Creagh:** I will have to get my procurement guys to double-check that for us, but I know that the areas were in the artwork space and in the construction space as well.
