Senator LUDWIG: Yes.

Dr Helgeby: I will take it on notice.

Answer:

The list of existing projects that were committed under the Nation-building Funds (NBF) that will be funded from 1 July 2014 is attached. These projects will be funded from the NBF up to 31 December 2014 and Consolidated Revenue Fund from 1 January 2015. Finance does not maintain details of the contractual obligations relating to each project, which are the responsibility of the relevant portfolio departments. Therefore, information on the projects likely to continue to be funded from consolidated revenue from 1 January 2015 should be directed to the relevant portfolio department.
