**Question:**

My understanding is that there are a few more international organisations that we play a role in. Perhaps you could take on notice to give that to us.

**Answer:**

The ANAO is a member of the International Organisation of Supreme Audit Institutions (INTOSAI) which is the principal international organisation dedicated to promoting the exchange of audit and financial management information among its member nations and providing a network for the international public sector audit community. The ANAO also contributes to the activities of two INTOSAI regional organisations; the Asian Association of Supreme Audit Institutions (ASOSAI) and the Pacific Association of Supreme Audit Institutions (PASAI). The ANAO is currently a member of the INTOSAI Performance Audit Subcommittee, the INTOSAI Working Group on IT Audit and the INTOSAI Working Group on Environmental Auditing.

In addition to its above INTOSAI roles, the ANAO also participates in the triennial Commonwealth Auditors-General Conference and the Global Audit Leadership Forum.
