ANSWERS TO QUESTIONS ON NOTICE
Budget Estimates Hearing 25-29 May 2015

Prime Minister and Cabinet Portfolio

Department/Agency: Department of the Prime Minister and Cabinet

Outcome/Program: Outcome 2: Indigenous

Topic: Additional funding through IAS

Senator: Senator Rachel Siewert

Question reference number: 114

Type of question: FPA Friday 29 May 2015, page 43

Date set by the committee for the return of answer: 10 July 2015

Number of pages: 30

Question:

Ms Carroll: That additional group are the ones that previously had not been funded. So some of the ones that had already been announced will have got some additional funding, but they are the ones that have not been announced before.

Senator SIEWERT: Can you take on notice, because I am very aware that we are going to totally run out of time, to give us the list that have already been funded that have been given additional funding?

Ms Carroll: The top up?

Senator SIEWERT: Yes, the top up.

Ms Carroll: Would you like that broken into whether they have got an extension of funding versus additional funding for a new activity?

Senator SIEWERT: Yes, please, it does not look like the Dampier Peninsula women's shelters are on the list. What is happening there? I appreciate your letter, Minister, that I found on my desk this morning, it that did not tell me anything other than, I think, it did not get any funding.
