

Senate Finance and Public Administration Legislation Committee
ANSWERS TO QUESTIONS ON NOTICE
Budget Estimates Hearing 25-29 May 2015

Prime Minister and Cabinet Portfolio

Department/Agency: Department of the Prime Minister and Cabinet
Outcome/Program: Outcome 2: Indigenous
Topic: IAS

Senator: Senator Rachel Siewert
Question reference number: 181
Type of question: FPA Friday 29 May 2015, page 44
Date set by the committee for the return of answer: 10 July 2015

Number of pages: 2

Question:

Senator McLUCAS: I was wondering if we could be provided with a list of organisations that currently have agreed and where contracts have been finalised for all IAS projects in an Excel spreadsheet and then following the two weeks after 30 June—if we could then have a completely updated one showing those contracts that have been signed.

Ms Black: Are you asking just for contracts in the—

Senator McLUCAS: Under the current round of IAS.

Ms Black: Only three contracts have been signed to date, and 480 are nearly ready to go, as Ms Carroll said earlier, so they are just in the process of finalising. But I think we could do that as they get finalised.

Senator McLUCAS: Is it sensible to ask for a list by, say, the end of next week? Or is that too early?

Ms Carroll: I would suggest probably at the end of the following week. In the next two weeks we will get most of them back, signed. As I indicated before, they have been negotiated; it is just the process of waiting for the next board meeting et cetera—those sorts of things.

Answer:

The following table provides a list of recommended organisations where contracts have been executed as at 7 July 2015.

The contract execution status has been updated since the tabling of this information at the Senate Inquiry on 29 June 2015
