Question:

Senator KITCHING: On smaller government, have there been any new entities created this budget?

Senator Cormann: We will have to take that on notice. The short answer is yes. For example, the Regional Investment Corporation is one example; there would be others.

Senator KITCHING: I am happy for you to take it on notice.

Senator Cormann: The Independent Parliamentary Expenses Authority is another example. So why don't I assist you by taking it on notice and provide you with a list.

Senator KITCHING: Could you also do that for the last budget?
