On what dates since 18 September 2013 has the department had contact with (a) the Office of the Prime Minister and/or (b) the Department of the Prime Minister in relation to building works in the Office of the Prime Minister and/or the Cabinet Suite?

Answer

Given the broad scope of support services provided by DPS in support of the Prime Minister's Office and the number of areas of DPS through which contact can be made, it is not possible to provide a definitive list of the interactions between the Prime Minister's Office and DPS in relation to building or maintenance works.
